(General Department) Bangalore.

SIR,

With reference to your letter No. 4061/V.P.25-29-25 dated 6th. December 1929 re: meeting out of the village Panchayet funds, the cost of fixing the pipe railings in the bed of Lom-merahalli tank, Mandya taluk at a cost of Rs 240/- with a view to prevent dispute between the adikarnatakas and caste Hindus of the village, I have the honour to forward herewith the copy of the resolution dated 15th. February 1930 of Lommerahalli vil-lage Panchayet in the matter and to state that the Panchayet is not agreeable to pay the cost of the wire fence and that they are of opinion that the arrangement of putting up a wire fence will not put an end to the misunderstanding in the village. They suggest instead that a portion of the tank should be bunded off and provided with a sluice. This is an expensive arrangement and its adoption will mean that the right of the adikarnatakas to take water from the tank which has been conceded is withdrawn.

I have the honour to be,
Sir,
Your most obedient servant,

K. V. Anantaraman

an earth bund in the tank does not appeal to me. I do not know
what they gain by putting up railings as the water cannot be separated.
The V.P. does not agree to pay the cost, but I think they agree to be made
to pay the cost for the work is well executed must to satisfy their sentiment.
